Midstate Plagiarism Policy:

Plagiarism is using another person's words, either by paraphrase or direct quotation, without giving credit to the author(s). Plagiarism can also consist of cutting and pasting material from electronic sources by submitting all or a portion of work for assignment credit. This includes papers, computer programs, music, sculptures, paintings, photographs, etc. authored by another person without explicitly citing the original source(s). These actions violate the trust and honesty expected in academic work. Plagiarism is strictly against the academic policy of Midstate College. Its seriousness requires a measured, forceful response which includes consequences for inappropriate and/or no citation.

In courses containing writing assignments, the College promotes the use of an electronic resource which compares the student's writing against previously submitted papers, journals, periodicals, books, and web pages. Students and instructors can use this service to reduce the incidence of plagiarism. This electronic resource has been found to conform to legal requirements for fair use and student confidentiality. It is able to provide a report to the student indicating the parts of the assignment that match.

• Completion of exercises: MAP+, sustained practice, progressive practice, 12-second sprints, paced practice, technique practice, Pretest/Practice/Posttest

- 5-minute timed writings will receive a grade formulated from the timed writing grading scale
- Attendance

Instructor Grading Scale:	70%	5-Minute Timed Writings
	20%	Skillbuilding Exercises
	10%	Attendance and Participation

The student's reported speed from KEY 131 = Starting Point:

Starting Point + 10 wpm = student's individualized goal for the course:

Student's Individualized Five-Minute Timed Writing Course Goals (70%)

Student's Goal (+10 from student's starting speed)				
A	В	С	D	F
Plus 10 gwpm =100% +9 = 95% +8 = 90%	+7 = 85% +6 = 80%	+5 = 75% +4 = 70%	+3 = 65% +2 = 60%	+1 = 55% +0 = 0%

Speed Development Exercises (20%)

To achieve your individualized goal, you will need to complete the developmental exercises assigned. Although the warmup exercises are not included in the grade, it is *strongly recommended* that you complete the warmup exercises before continuing with the skillbuilding exercises for every lesson. Credit will be given for completion of the skillbuilding exercises (MAP+, sustained practice, progressive practice, 12-second sprints, paced practice, technique practice, Pretest/Practice/Posttest). The final grade for the skillbuilding exercises will be determined by percentage of completion. For example, if you completed 72 out 86 exercises, then your final grade would be 84%.

Attendance (10%)

Regular attendance is expected and counts for 10% of the final grade. It is highly recommended that you set aside at least a 1-2 hour period of time 4 times a week to manage your time in completing the weekly assignments and building speed and accuracy.
